

PLAYER REGISTRATION FORM

TAOS SOCCER CLUB 2010 SUMMER 8 vs. 8

Welcome new and returning players. Thank you for joining us. Although many of you have read it before, please take a moment to read what's below again. Now that we have your attention, the club and its participants would like to voice a few concerns. It's important that everyone understand the type of play we are hoping to foster.

Everybody wants to have fun. We are pleased to have all types of players represented within our teams. This mixture makes for a unique competitive arena. We are hoping passing and strong team play will be the fashion. Even though skill levels will vary, everyone hopes to participate equally. We would like to avoid physical play especially between unevenly matched players. Please observe good sportsmanship above all. The atmosphere in which we all get to play is more important than winning.

Respect the referees during play. We're all out there to play, not to listen to someone complaining. If you have complaints regarding a referee's performance please submit them in writing to our head referee. This will enable us to keep a concrete record and spot consistent problems. If it is serious enough to complain about, it should warrant that much effort on your part.

If you see other problems or ways in which our playing experience could be improved we do want to hear from you. Please contact a club representative and volunteer to be part of the solution. Last but not least 8 v 8 will not succeed without your help. There are many things that need to be done on a nightly basis. Each team as a group will be expected to shoulder certain chores. If every individual does something no one person will have to do too much. For the club to work well and carry on this is essential. Expect to be asked for your help. If you are not, please volunteer. Thank you.
